

Stanhope comedian

Ridgefield's WREF AM's "Morning Man" **Bob Stanhope** is funny not just until noon. He's also a singer/songwriter who has played coffeehouses from Rowayton to Mount Kisco. Tomorrow he performs at Dr. Java's in Bethel.

Stanhope plays eclectic contemporary and original folk music, often with a satirical edge to it. If you like him enough, you can follow him up to Newtown next Saturday, when he performs at Sharon's Coffee & Tea. Just don't keep him out too late. He has an earlier day than most.

Show time is generally about 8 p.m. \$2 cover. Great caffeine. Call 791-8121 for information.
